

Got Drugs?

Turn in your unused or expired
prescription medication for safe
disposal on Saturday, April 27th
Located in North Bend's
Park -n- Ride Parking Lot

Saturday April 27, 2013 National Drug Take- Back Day

On April 27, North Bend Police Department along with Washington State DEA will coordinate a collaborative effort to remove potentially dangerous controlled substances from our nation's medicine cabinets.

From 10:00 a.m. through 2:00 p.m. you can bring your expired, unwanted, or unused prescription medications to a temporary drop off point located at the SE Corner of North Bend's Park -n-Ride, between East McClellan Street and East Park Street for destruction. (next to Rocko's Diner and across the street from Scott's Dairy Freeze)

This one-day effort is intended to bring national focus to the issue of increasing pharmaceutical controlled substance abuse while giving you the opportunity to safely depose of your unwanted medications without contaminating our environment, and water systems.
